EDUCATION

Sathyabama Institution of Science and Technology

Degree in Bachelor of Technology Computer Science

CGPA: 8.7

Chennai, India

May-2021 - May-2025

Sri Chaitanya Junior college

MPC

CGPA: 8.27

Vijayawada, India

July-2019 - July-2021

SKILLS

Programming Languages: C, Java, Html, Css
Libraries/Frameworks: Java Script, React JS
Tools / Platforms: Git Hub, VS Code

PROJECTS / OPEN-SOURCE

E Commerce | Book Ticket

React JS, Java Script

Developed a responsive ticket booking application using React, enabling users to browse events, view details, and purchase tickets seamlessly.

Implemented state management with React Context API, integrated with RESTful APIs for real-time event data, and ensured secure payment processing through third-party APIs.

Language Learning App

React JS

Language Learning App (React)

Developed a responsive language learning app using React, enhancing user engagement through interactive exercises and multimedia content.

Implemented state management with Redux and optimized performance, resulting in a 20% faster load time and seamless user experience.

Benny's Garage

Html, Css, JavaScript

Designed and implemented user-friendly interfaces for Benny's Online Store, enhancing customer experience and increasing engagement.

Utilized HTML, CSS, and JavaScript to create responsive and visually appealing web pages.

Collaborated with the backend team to ensure seamless integration and optimal performance of the e-commerce platform.

Portfolio

Responsive Design
